

Dear friends and supporters of the translation projects of the Shang Shung Institute Austria,

time is passing quickly and our translators are working hard and intensively with their translations for us.

Continuously new translations are being edited and also published as you can see in the shops of the Shang Shung Publication.

Our main intention is not to publish just one book after the other in a very short time, but if we publish a book, it is guaranteed that the translation is absolutely correct and that the meaning of these cryptical texts is not changed at all.

As you know, in order to continue with our work we need all your support.

It is a pleasure for us, to provide excellent translations of incredible books of wisdom to all interested people,
and hopefully it is a pleasure for you to get these book, originally written in Tibetan, now for you understandable language.

You know:

Pleasure is the only thing that increases if you share it.

We would be so happy and it would be such a pleasure for us, if we could again support our activities related to translations,

like the **KA-TER TRANSLATION PROJECT** and the translation project **COMPLETE WORKS OF CHÖGAL NAMKHAI NORBU**

For the year 2017 still 20.000 Euro are missing in order to cover our expenses for translations.
