

The Ka-Ter Translation Project of the Shang Shung Institute Austria January - June 2024

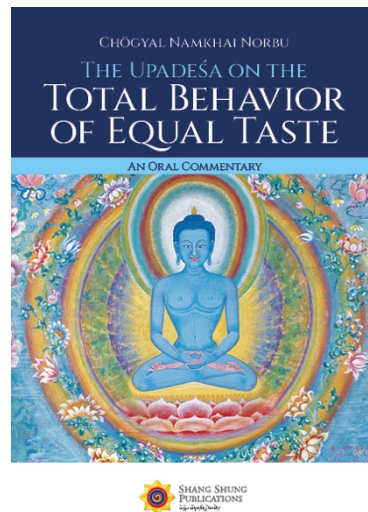

The Ka-Ter Translation Project of the Shang Shung Institute Austria was launched by Chögyal Namkhai Norbu in 2002. Its main mission and aim is to guarantee qualified translations of the enormous spiritual heritage of Chögyal Namkhai Norbu and other great Tibetan Masters from Tibetan into Western languages and to publish these texts of unique wisdom in the best possible way with Shang Shung Publications.

For the last 22 years, we have dedicated our experience, knowledge, skills and effort to meet this aim. Throughout the years, we published a substantial amount of books in English. They are of great value for our study, understanding of the Teachings, and practice.

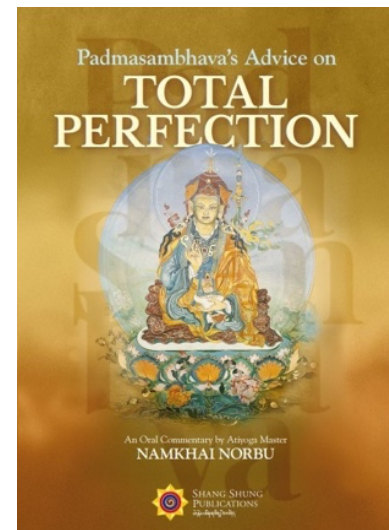

These books of the Ka-Ter Series were published in 2024 by [Shang Shung Publications](#):

An Oral Commentary on the Quintessential Instructions on the Main Practice, From the Black Quintessence of the Unexcelled Innermost Essence.

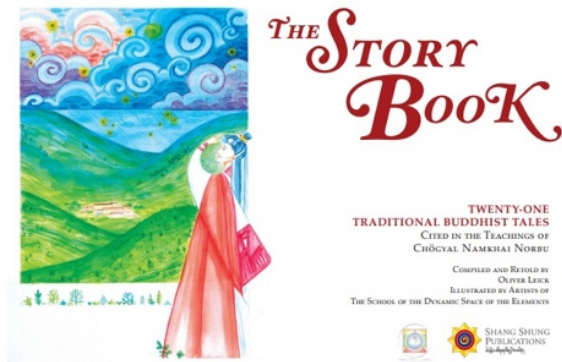

The Upadesha on the Total Behavior of Equal Taste Belonging to the Longsal Cycle of Teachings. Rediscovered and Taught by Chögyal Namkhai Norbu.

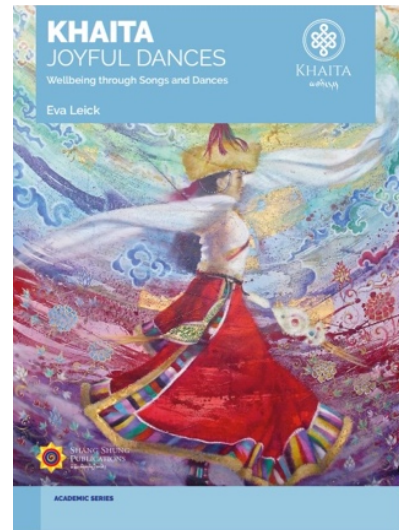

A Hidden Treasure Discovered by Dorje Lingpa. An Oral Commentary by Namkhai Norbu.

In June 2024, two new Ka-Ter publications will be available:

The nectar-like stories told by the Master like a blazing torch in pitch darkness reveal the light of the illusory mind and lead us on the path of bliss and clarity.

Chögyal Namkhai Norbu promoted Khaïta – Joyful Dances as a support for Tibetan culture and method to practice presence. This book is the first academic publication on a Teaching by Namkhai Norbu within Shang Shung Publications.
